

STUDYING IN BOCHUM

Information for refugees from Ukraine

WELCOME TO UNIVERCITY BOCHUM!

Are you interested in starting or continuing your studies?

Bochum is home to a variety of universities offering a broad range of degree programs. The seven higher education institutions within the city are state-approved. While most of the courses are taught in German, some programs are available in English language.

General admissions requirements include (but are not limited to)

- an entrance qualification for higher education institutions in the Federal Republic of Germany
- and proof of language proficiency either in German and/ or English language.

Please note that requirements may vary, therefore it is essential that you seek individual advice at the university.

Student Guidance
and Counselling Services
are free of charge.

UniverCITY Bochum is a network including seven of the universities located in Bochum. Together they strengthen the profile of Bochum as a city of science and education.
